

ORDINANCE COMMITTEE MEETING  
NOVEMBER 7, 2024  
CLUBHOUSE

RECEIVED FOR RECORD  
EAST LYME, CT

2024 NOV 12 A 8:33

*Kenneth M. Bell*  
TOWN CLERK

Meeting called to order at 7:00 PM

Present: Robert Vancour  
Steve Licitra  
Joan Lanzo  
Cheryl Gervais

Also present: Louise Wilcox, Treasurer, and Board of Governors member of  
Giants Neck Beach Association

Ms. Wilcox present by invitation for both organizations to discuss common  
problems and joint solutions.

GNBA did have a "watchman" in the past to enforce regulations but it has not  
had one for several years. GNBA does have problems with parking and  
some littering and misuse of recreation facilities and beaches. There is  
definite interest in working towards a solution beneficial to both associations.

Further research on signs, including costs and location and wording will  
continue. The signs may be common as to size and language between both  
associations. Beechwood Park needs signage for park rules. Beach may  
also need improvement of signs. Existing signage will be reviewed for  
requests of replacement or worn signs by town and additional signage for  
Town roads Budget recommendations will be made as current budge does  
not have funds allocated for signs.

Members will review ordinances for necessary degree of  
enforcement/penalty and actions to take for repeat offenses. Some sort of  
record keeping and "ticket" will be necessary. Procedures for appeal of  
enforcement are within the Ordinances

Board members will share research and share results.

Next meeting will be in January 2025. Meeting ended at 8:15 PM.
